Building Strong Foundations for
Aboriginal children, families and communities

Narrangy-Booris acknowledges the traditional custodians and caretakers of our local land and waterways, the Dharawal people and pay our respects to the ancestors and Elders, past, present and future.

Program funded by NSW Government

ABOUT OUR SERVICE

Narrangy-Booris is a free Aboriginal/Torres Strait Islander Child & Family Health Service located in Menai.

The service provides health care and support to help you care for your new baby so he or she grows to be healthy, strong and deadly.

Aboriginal Health Workers from the Narrangy-Booris team work closely with our Child and Family Health Nurses to care for you and your children from birth to 5 years.

The team also includes a speech pathologist, occupational therapist, social worker and a pediatrician who visits fortnightly.

TYPES OF SERVICES OFFERED

- PHR blue book health checks
- Breast Feeding Support
- Information on infant feeding and nutrition
- Hearing/Eye screening
- Health assessments and therapy
- Counseling and Support
- Help with family issues
- Parenting and Support groups
- Referral and support to access other services
- Health initiative events
- Well women's health support
- Virtual and phone consults
- Linking families into the Koori Kids Playgroup

WHO CAN USE OUR SERVICE?

Aboriginal mothers, fathers, grandparents, aunts/uncles and carers who's children identify as Aboriginal/Torres Strait Islander, are under 5 years of age and live in the Sutherland Shire/St George area.

We can see you in your home for your baby health checks, at your local community health centre or a place where you and your child feel culturally safe and comfortable.
